

Casino Night 2011
*a collaborative fundraiser for We Care Manatee and the
Manatee County Medical Society*
Saturday, February 5, 2011
6:00-10:00pm at IMG Golf & Country Club

Since 1906, the Manatee County Medical Society has been working to guard and foster the mutual interest of their member physicians and to promote high quality health care for patients in this community. In 1999, they had the vision to address the ever increasing problem of access to specialty medical services. It was from this foresight that We Care Manatee, Inc. was created. Today the vision continues serving over 500 people annually with over \$400,000 worth of medical services donated through their programs.

In an effort to streamline the fundraising goals, the Manatee County Medical Society and We Care Manatee are joining forces. The Medical Society's and We Care's annual events will merge at Casino Night 2011. The proceeds from Casino Night 2011 will be equally distributed to help continue the Manatee County Medical Society and We Care Manatee's programs and services. Please join us!
