

Five Important Reasons to Join FLAMPAC Today..

- 1** FLAMPAC, the Florida Medical Political Action Committee, supports candidates for the state legislature who support the medical profession.
- 2** FLAMPAC's candidates WIN. Over 98% of FLAMPAC-supported candidates won their legislative races in 2004. Thus, the funds raised by FLAMPAC are spent in a meaningful and judicious fashion.
- 3** Trial lawyers raise enormous sums of money to keep pro-tort reform candidates out of office. Medicine's friends, through FLAMPAC, must dig deeper to raise equivalent or greater amounts of funds.
- 4** The 2006 election cycle will bring new challenges and FLAMPAC support can make the difference between victory and defeat.
- 5** For 41 cents a day (\$150/year) as an individual member or 68 cents a day (\$250/year) as a family member, which includes a physician and spouse, there is no better investment you can make to protect your profession.
